ANLEITUNG
INSTRUÇÕES

A diagram of a square frame structure. It consists of four vertical members and four horizontal members forming a square. A diagonal member runs from the bottom-left corner to the top-right corner. Arrows indicate forces or moments: a downward arrow on the left vertical member, an upward arrow on the right vertical member, a rightward arrow on the top horizontal member, and a leftward arrow on the bottom horizontal member. The diagonal member is shown with a cross-hatch pattern, indicating it is a truss member.
